

Quality Policy Statement

The responsibility for and commitment to the stated Quality Policy of Vantage Energy Group belongs to the Management Team.

It is the responsibility of the Management Team to ensure that the Quality Policy is understood, implemented and maintained at all levels throughout the organization.

Vantage Energy Group's mission includes, but not limited to the following:

- Clearly defining and fulfilling all customer requirements
- Implementing and utilizing systems and controls that lead to the prevention of errors;
- Managing its business such that costs are minimized;
- Promoting a high level of ability within the company by the use of appropriate training and competence measurement techniques;
- Consistently improving the quality of product and service provided to customers through the continued development of key business process;
- Preventing actions that will result in either society or the environment being adversely affected;
- Complying with all statutory and legal requirements

A handwritten signature in black ink, appearing to read 'Ahmad Idzhar Bin Ismail', is positioned above the printed name.

Ahmad Idzhar Bin Ismail

Chief Executive Officer

Vantage Energy Group
